Temporary Tent & Canopy Permit Application Guide

The following information is to provide guidance for applicants regarding plan submittal and other general requirements based on the use of tents, canopies and membrane structures according to the 2024 Ohio Building Code and Resolutions of Olmsted Township.

Permit Required When:

A permit application and approval is required for ALL temporary tents to obtain a zoning certificate per the Olmsted Township Zoning Resolutions. Per 140.02 of the Olmsted Township Zoning Resolution, temporary tents are permitted with the following criteria:

1. Festivals and open-air carnivals for 5 consecutive days, not more than 2 times per calendar year.
2. Outdoor retail sales associated with an existing retail establishment for 4 consecutive days, not more than 4 times per calendar year.

Building code review is included as part of the permit application for any temporary tent, canopy, or membrane structures with the following exceptions:

1. Tents used exclusively for recreational camping purposes
2. Tents open on all sides that comply with **all** of the following:
 - a. Individual tents having a maximum size of 700 square feet
 - b. The aggregate area of multiple tents placed side by side without a fire break clearance of 12 feet, not exceeding 700 square feet total
 - c. A minimum clearance of 12 feet to all structures and other tents

Items Required for Submittal

1. Completed Building Permit Application

Include:

- Set and removal dates
- Emergency planning information/weather watch
- The use/occupancy of the tent (what will the tent be used for)

2. Site Plan

- Entire property layout including lot lines and streets
- Location of all tents/canopies with distances to lot lines, parking areas, and other structures
- Fire lanes and emergency access entries

3. Tent/Canopy Floor Layout Plan

- Provide plan view dimensions of the tent structure including height, width, and length
- Provide information to identify which sides are open or closed
