Re: Board of Zoning Commission

It is with some sadness that I am writing to inform you of my intent to resign from my position on the Board of Zoning Commission. My recent election to the Olmsted Falls City School Board has created some issues with serving on the board. First – the meetings are often held on the same day which will force me to often miss sitting for zoning. Additionally, I feel for the integrity of both boards it is best to not have a person serving on both at the same time. While I know I would conduct myself correctly and recuse myself when necessary, I believe the perception to the community might suffer. Given that I have every confidence that a suitable and even better candidate can be found in our amazing community, I have decided to step down from the zoning board.

I want to thank you for allowing me the opportunity to serve. I have enjoyed it and have found it a rewarding experience. I wish the board all the best going forward. It is a great group of people serving Olmsted Township.

As always, if you have any questions, please feel free to contact me at 216-403-9492.

Respectfully,

Kelly Walker
