## CELEBRATE OUR EARTH

This year **Earth Day** was on Saturday, April 22<sup>nd</sup>. We welcomed more than 220 residents and friends, shredded 7,680 pounds of paper, and gave away gift bags of information on recycling and Township services and about 100 free dogwood and redbud saplings.

We collaborated with art teacher, Jen Canacci and 3<sup>rd</sup> graders at Falls Lenox Primary School to create posters for Earth Day that reflected the theme “Investing in Our Planet”. The artwork reinforced the idea that we share our “home” and have a responsibility to care for it. Thanks to Mrs. Canacci and the students for their work!

Roasted, Angelina's, and First Federal of Lakewood will be displaying some of these posters. Stop in to these supportive Township merchants to see some of the creative artwork.

## 3<sup>RD</sup> GRADE VISIT TO THE TOWNSHIP

Our 3<sup>rd</sup> graders at Falls Lenox Primary School learned more about how government works in their social studies class with a focus on local government. As part of the unit, these boys and girls visited the Township. They learned about road maintenance, our new e-bikes and drone, fire engine, and ambulance.

We talked a little about securing a building permit, the Township form of government, and our anticipated Nature Trail & Bark Park. Highlights of the visit were seeing a demonstration of the drone in flight and a visit from Sparky. Thanks to Township and OFCS staff and all who made this field trip a wonderful experience for our youngsters!
